Rougemont Ruritan Club Educational Grant

The Rougemont Ruritan Club has served the Rougemont community for over 60 years. Our purpose is to make Rougemont a better community in which to live and work for all its citizens. The Ruritan mission is dedicated to improving communities and building a better America through fellowship, goodwill and community service.

The Rougemont Ruritan Club Educational Grant was established to provide financial assistance to young men and women who are seeking education beyond high school. Selection is based on financial need, character, scholarship, academic promise and the desire of the applicant to further their education.

If you are a high school senior living in the Rougemont or Timberlake zip codes, 27572 or 27583, expect to graduate this school year and plan to attend a post secondary institution (college, university, community or technical college) in the fall you may be eligible for a scholarship awarded by the Rougemont Ruritan Club.

If you are eligible, complete the application enclose a transcript and return it to Lee Thomas no later than March 25th 2011. All awards will be announced in April and will be presented at the May 3rd Ruritan meeting. You will be contacted if you have been awarded a scholarship.
